What Puzzled Pat.
Two Irish passengers were gazing over the after rail of the steamer, "Dye know, Mike," said Pat, "O! can't understand how the captain finds his way across the ocean at all, at all. If we was goin' the other way, now, all he'd have to do would be to follow that white streak behind there, but in front there's a devil a mark of any kind."

CHAUTAUQUA IS TO COME HERE JULY 25 TO 31

Knight MacGregor, N. Y.
Baritone, One Of The Big Attractions

'MIKADO' IS TO BE PRESENTED

Mt. Vernon Patrons Are To Be Sheltered Under A New Tent

When the Redpath chautauqua comes to Mt. Vernon July 25 to July 31, inclusive, patrons will be sheltered under a new tent that is the last work in canvas construction. Improvement in the interior arrangement of equipment will be especially evidenced in the presentation of such attractions as the light opera "Mikado" and the Broadway dramatic success, "Friendly Enemies." The curtain effects used with these attractions and other chautauqua numbers are far superior to any stage equipment employed in the past.

Musically, the chautauqua offers not only the light opera mentioned, but also Knight MacGregor, New York baritone, and assisting artists: the Lillian Johnston Co.; Metropolitan Orchestra; Dunbar Male Quartet and Bell Ringers, and the Keller Sisters of Pasadena, Cal. It is believed that Knight MacGregor will prove one of the most popular singers ever brought to the local chautauqua.

John B. Ratto, impersonator with make-up; Charles G. Jordan, legislator, "dirt farmer" and speaker extraordinary; Jesse H. Holmes in an up-to-the-minute interpretation of newspaper headlines; Dr. Charles S. Medbury of Des Moines; Montaville Flowers of California, and Elwood T. Bailey in his live-wire "All Aboard!" talk, are other attractions listed for the summer assembly.

"Conquests of Peace" is the theme of the timely junior pageant to be offered by local boys and girls at the close of chautauqua week. In addition, the "kiddies" will have seven days of interesting stories and games, under a professional director from the Columbia College of Expression in Chicago.

Mrs. Henry Young of Millersburg entered the Mt. Vernon hospital Wednesday.

CARRIES BURGLAR SCHOOL DIPLOMA

Youth Caught Drilling Church Safe Claimed Baggage Containing Set of Burglar Tools.

Providence, R. I.—Discovered while at work drilling holes in a safe in the vestry of St. Patrick's Roman Catholic church, in this city, a young man who possesses a diploma from a San Francisco school for burglars was surrounded by a cordon of police and taken into custody after a struggle, in which, the police say, it was necessary to use a club on the intruder's head.

The police are holding the man, who gives his name as Charles Benson, and his home as Ridley Park, Pa., for breaking and entering with intent to

commit larceny. Among possessions claimed by the man and taken from a checking station in a Providence railroad station are several correspondence course lessons in "How to Be a Burglar," a diploma signifying that Benson is a graduate, and a full line of burglar's tools, flashlights, and other usual equipment. Benson told the police he entered the church to get warm.

Benson was discovered at work by the Rev. Martin F. Reddy, pastor of the church, who was awakened by a sound of a window being opened in the church vestry. The priest watched the young man at work on the safe, which contained church funds, and then returned to the rectory and telephoned for the police. The burglar was not alarmed by the arrival of a patrol full of officers until they entered the church. Then he gathered his tools and concealed himself behind the altar, where, the police say, he was arrested after a struggle.
